Dyslexia is a mental affliction caused by an odd set of circumstances that result from a birth mother being deprived of Oxygen in the embryonic stages of development.
In many cases Dyslexia is caused by the enbryonic sac being deprived of Oxygen due to an odd and unusual twisting of the embryonic cord becoming twisted about the neck of the embryo which deprives the embryo of Oxygen.
Dyslexic offspring are often born with little to no ability to fend for themselves and have great difficulty in dealing with every day issues.
Dyslexics have an above average inability to hold and maintain a mainstream job and often feel that they are being made fun of. They are, by nature, defensive and often exhibit one or more shades of Paranoia.

Dyslexics can also be, in their adult stages, sexually dysfunctional. They are almost all highly confused about their sexuality and have a very troublesome time determining who they are.

Dyslexia is treatable, and many inroads are available to those who recognize that they need guidance.

I didn't invent a child, you did, and nobody ever mentioned anything
about abusing a child but you. I just capitalized on your twisted
assuption that I was talking about a child after the fact.

The child you claimed was real and that was abused doesn't even exist,
except in your own kooky mind. Basically, in your zeal to get "dloyd"
thinking that you had some prized dirt, you filed a false complaint
based on your own twisted sexually grounded thought process, even
after you were told that Mr. Crow is not even here. Your actions
certainly speak louder than you think, was it a parent, brother, or
perhaps a neighbor who molested you as a kid? Don't blow it Mark, you
have me semi-convinced, go with it, after all you do play the "victum"
role so well.

Nevertheless, why did you use a dead child against a grieving parent.
What goes around comes around....Fools Fool.

Nitwit, when you create public profiles with to links with personal
information...it IS public information.

What about all of your attacks, what about using a the death of a
child against a grieving parent. Mark KB9RQZ, you are lower than pig

Yet you still avoided the question why use a dead child as a weapon
against a grieving parent?

I have done that multiple times, and you Mark KB9RQZ hijack the
thread, and it up making it another one of your kook fests. We have
coverерd this ground long ago. Lets move on shall we.

Dave, Mark doesn't care about anybody else but himself. Mark seems to
be out to prove a point, but who knows? Frankly, I can't understand
but about 40% of what he types anyway, with all his weird syntax,
reverse grammer, and odd rationalization skills, it's a wonder anyone
can understand/comprehend anything he has to say . Although,
according to Mark, that is not his fault, he is not responsible for
his messages. I wish I had a get out of jail free card like Mark.

It would be a circus to get you in court, Mark. If you didn't perjur
yourself first, all the Judge would have to do would be to read your posts
and you would be shown the door.
Heck, who knows? The Judge may even order mental healt counseling for
you...Lord knows you need it.

You've noticed that, eh? Yet in Mark's fantasy world he maintains that he is
"respected" and even admired by his peers, peers who, by the way, opt to
remain silent and never step forward.
This is yet another of Mark's many fantasies...

Why don't YOU learn to spell correctly? You aren't a "REA" ham, you are a

It would make little, if any, difference what you or others post. Mark would only hijack the thread and take it off on a tangent that only he and the voices in his head understand.

Well you say you know who I am...well let's do it, make good on your threat let's go to court...BTW more than 89% of out of state civil judgements are never collected.

"OTOH it was Dloyd himself by his own posting that confirmed in my mind that Dloyd was Crow"

You've threatend court many times in the past to mulitple parties. I think you are all talk.

Let's put it to the test.

And I can expect service when?

A beautiful innocent young girl wants to meet Santa Claus so she puts on a robe and stays up late on Christmas Eve. Santa arrives, climbs down the chimney, and begins filling the stockings. He is about to leave when the girl, who happens to be a gorgeous redhead, says in a sexy voice, "Oh Santa, please stay. Keep the chill away."

Santa replies, "HO HO HO, gotta go, gotta go, gotta get the presents to the children, you know."

The girl drops the robe to reveal a sexy bra and panties and says in an even sexier voice, "Oh, Santa, don't run a mile; just stay for a while."

Santa begins to sweat but replies, "HO HO HO, gotta go, gotta go. Gotta get the presents to the children, you know." The girl takes off her bra and says, "Oh, Santa. Please. Stay."

Santa wipes his brow but replies, "HO HO HO, gotta go, gotta go, gotta get the presents to the children, you know."

She loses the panties and says, "Oh Santa... Please... Stay...."

Santa, with sweat pouring off his brow, says, "HEY HEY HEY, gotta stay, gotta stay! Can't get up the chimney this way!"

Why did you thread jack, you crazy bastard?

It was an on topic post about policy. That policy question being: Should a crazy bastard like you be allowed in the amateur radio service? Get it now, stupid?

That is evident from his response. Mark doesn't care if he hoses up
multiple newsgroups. Those people reading the newsgroups need to
complain to his ISP. If they receive enough complaints, Mark will be
gone temporarily.

Mark has stated that he doesn't care enough about those who are the
recipients of his posts to use a spell checker. Mark is a perpetual
"victum" in any number of areas. He has issues.

He can't possibly believe himself to be admired or respected by any
rational human being. He is a pathetic, mis-wired person with sexual
and religious problems. As if that weren't enough, he is an outrageous
fabricator and is abrasive to boot.

It is another fabrication.

know you have no respect for families or kids...you even used a dead
one for your own purposes...you deserve every bit of flack you get.
